

Life Group Leaders

Week of February 1st, 2010

1. Please call all participants and provide them with the date, day, time, and directions to the life group. Let them know you are glad they are in your group & look forward to spending time with them.
2. Host should prepare drinks and snacks for group
3. You will need; your Bible, sermon notes & homework questions, leader notes and questions, & attendance sheet and pen.
4. At Life Group:
 - A. Greet and introduce yourself and participants
 - B. Invite them to have a drink & snack
Have them sign up to alternate bringing Snacks.
 - C. Pray
 - D. Start with L.G. Bonding question—everyone must answer
 - E. Move on to Discussion of Sermon Notes
And homework with Leader Questions
 - F. Take personal prayer requests & praises
Then Pray
 - G. Allow for socialization if time permits
- Any questions you may have, or participants may have that need further assistance, please feel free to call me.

Marcy Morgan

Life Group Pastor 671-1130 ext. 18

Leader Questions

L.G. Bonding Question

Please state your name, place of work, how long you have attended YCNAZ, and your favorite restaurant in town.

From the Sermon

Share one thing about this weekend's sermon that most interested you, stood out or touched you personally.

From the Homework

Read each question out loud and give time for participants to share if they wish...you may need to start with your own answers if they are reluctant to begin.

Application

C.S. Lewis stated that if you ask a child whether they would like chocolate or sex...the child would pick chocolate because they have no idea what the other is. We know what this world has to offer, but not really what Heaven has to offer. Often we strive for things we want here on earth...spending our time, resources and money trying to get them. If we truly believe that God has something so much better for us, something we can't imagine...wouldn't our time be better spent striving toward the things that God has. He will reward his children in accordance to their obedience.

- What have you done for Christ this past week?
- What can you change in your life to work toward the goals of Christ, rather than the goals of this world?
- Calculate the time you spend in prayer + reading the bible + attending church & group + serving...is it more or less than the amount of time you spent participating in the things of this world that will not have a lasting impact? How can you change it?
