

This week's challenge:

- Re-read John 21
- Determine to show Christ to someone this week in a tangible way (even when you don't feel like it)
- Make a list of 10 Good things in your life. Thank God for them, then make a list of things you can HOPE for in Christ. Remember he will always provide for our needs and be with us despite our resistance in obedience to Him.

Fish for the Best in all circumstances!
