

# When the Sea Moves Continued...

## This week's challenge:

- Re-read Exodus 14
- Make a list of times that God has been faithful in the past. Pray a prayer of thanksgiving and love to Him.
- Make a list of circumstances you are currently facing. Pray that God would lift that burden, guide you, give you wisdom and courage, help you be patient, and be faithful to provide for you

\* Make a list of how you can be faithful to God in the future. For example: serving in ministries in the church, community outreach, missions, compassion, loving your neighbor, showing kindness to those who are not kind to you, being patient with others. Pray that God will provide you with help you be bold to show his love to others. Ask God to continue to be faithful in and guiding you to Him through scripture reading and prayer.
